IV. Reports

REPORTS TO REVIEW	Principle Report, Assistant Principal Report
DISCUSSION	Mrs. Gunnels discussed what makes up the letter grade for the campus and let the council know the letter grade for Pistor was a D. She mentioned that our score did improve from the previous year but not enough to get us out of the D grade standard. Mrs. Gunnels told the council about the Goal of increasing both Math and ELA scores by 5%. She mentioned we lost points due to the low attendance percentage, so Pistor also has a goal of increasing attendance by 5%. Mrs. Aviles asked about student's weak spots on the test. Mrs. Gunnels discussed that the test the students took was more about Informational text and Item Analysis, so the students made mistakes in how they answered the questions not so much in their understanding of what they were reading. Mrs. Avilas asked how we can support our students with these types of questions. Mrs. Gunnels replied that we need to spend more time teaching charts and graphs.

CONCLUSIONS	The council is on board with the school plan to increase ELA, Math and attendance by 5% for the year and is willing to support in any way we can.
ACTION ITEMS	
Mr. Casillas and Mrs. Daniel were not present due to championship games so we will discuss Discipline and Assistant Principles reports at the April 9 th Site Council meeting.
