School IDs:

Students are required to wear school IDs. IDs must be visible throughout the school day. The first ID is free. Subsequent IDs will cost \$3.00 and charged to the student account payable no later than the end of the school year.

Dress Code Violations :

Dress code sweeps will be conducted on a regular basis to ensure that the Pistor Middle School Dress Code policy is being observed by students.

Initial Violation:

- Notification:** If a dress code violation is observed, the student will be discreetly informed of the infraction.
- Correction:** The student will be given an opportunity to correct the violation immediately. This may involve adjusting their attire or using school provided alternatives. Parents/guardians will be asked to bring a change of clothing to school if the student cannot correct the violation with provided alternatives.

Repeated Violations:

- Notification and Correction:** If a student violates the dress code again, they will follow the same procedure as the initial violation.
- Parent/Guardian Involvement:** Additionally, a notification will be sent home to parents/guardians informing them of the repeated infraction.

Chronic Violations:

- Notification and Correction:** If a student continues to violate the dress code despite previous interventions, they will follow the same procedure as the initial violation.
- Parent/Guardian Involvement:** Additionally, a meeting will be arranged with the student, their parents/guardians, and a school administrator to discuss the recurring issue. The goal of the meeting is to understand any underlying reasons for the dress code violations and to develop a plan to ensure future compliance. The student may be placed on a behavioral contract, outlining specific expectations and consequences for further violations.
