<b>REPORTS TO REVIEW</b>	Principle Report, Discipline, Assistant Principal Report
<b>DISCUSSION</b>	<p>Principle – Mrs. Gunnels started off by letting everyone know Pistor school grade came in and we are still at a D rating. Mrs. Gunnels then gave the Site Council the breakdown on how the grade is calculated and told the Site Council Pistor has a reason to celebrate the new score because from the 22-23 school year we went up in Proficiency by 0.28 as well as in Acceleration was maxed out at 10. Mrs. Gunnels went on to say the areas we have room for growth in were ELD which was a 4.0 and Growth which was a 29.92. Pistor has 3 goals for 24/25 which are:</p> <ol style="list-style-type: none"> <li>1. 100% compliance of teachers using "Learning Target" and "Success</li> </ol>

	<p>Criteria" on boards daily.</p> <ol style="list-style-type: none"> <li>2. Viable Curriculum – Pistor has 3 new curriculums which include Math, Science, and Social Studies.</li> <li>3. PLC done by content area so there is more structure to it.</li> </ol> <p>Mrs. Gunnels ended by discussing the new I-ready program Core Enrichment teachers are using and how the scores from the Diagnostic Tests are very encouraging for the campus because the program is almost in line with the AASA testing.</p> <p>Discipline – Mrs. Daniel told the Council that we hit our 384<sup>th</sup> Banana's form submitted and told the Site Council that the Bananas form is one of the main reasons disciplines has been minimal because we are receiving anonymous information before things happen so the campus can be more proactive in any potential issues. Because of the form the school was able to find the 11 students involved in pulling the nails out of the grass as well as the individuals involved in pulling the blocks of the wall.</p>
