Dear Pistor Middle School Families:

We are pleased to notify you that in accordance with the *Every Student Succeeds Act*, you have the right to request information regarding the professional qualifications of your child's teacher. Specifically, you may request the following:

- Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria has been waived.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Mr. Steven Park has agreed to teach the 7th grade Math classes while Mrs. Gallego is on Military Leave. Mr. Park has many years of teaching experience, and is a certified substitute teacher, and math teacher. He had some issues with Zoom when he first started last week, but we corrected the issue. The same Meeting IDs that Mrs. Gallego set up are being used.

Please ask your child to check Office 365 email for updates.
